## ✓ Phone Calls

With our credit based calls you are able to send a 30-second message to everyone on your contact list. Alert all of your customers of upcoming specials via our automated calling.

## ✓ Text Messages

Want to send text message alerts on top of the voice message that you sent out? Our credits also cover text messaging.

### What Are Credits?

Our credits are based on the length of the message you send out. Each credit is good for up to a 30 second message. If you need to send out a longer message it's just 1 credit per additional 30 seconds. With text messaging 1 credit = one text message. You will not be charged a credit for bad phone numbers or failed call attempts.
